Total Assets Top \$50 Million at Endeavor Bank

San Diego's first new community bank in 10 years is growing

SAN DIEGO, California (August 9, 2018) – Endeavor Bank (OTC Pink: EDVR), having completed its first five full months of banking operations on June 30, 2018, reported strong loan and deposit growth since opening for business on January 22, 2018. Unaudited results as of the June 30, 2018 reporting date show total assets of \$50.3 million, with deposits totaling \$26.8 million and loans standing at \$13.3 million.

Steve Sefton, President, commented, “We are more than satisfied with our early performance in terms of both deposit and asset growth, and equally important, with the team we assembled to accomplish that growth.”

Dan Yates, CEO, further stated, “We are especially pleased with our suite of technology offerings. Banking today depends more than ever on providing the smoothest, most sophisticated technology experience available. Clients expect an exceptional experience and just won’t accept anything less. We continue to build our platform, but we are satisfied that our client experience today rivals even the most sophisticated competition, including those with “big-bank” Information Technology budgets.”
