Endeavor Bank Recognized as a Super Premier Bank by The Findley Reports

Community bank receives prestigious distinction from highly regarded reporting firm for their performance in 2021

SAN DIEGO (April 15, 2022) – [Endeavor Bank](#) is pleased to announce that the Bank has achieved a Super Premier Performance rating by The Findley Reports based upon its 2021 operating results. Endeavor Bank is one of 84 banks that received a Super Premier rating, the most prestigious of The Findley Reports’ recognition tiers.

“We are proud to be recognized as a Super Premier Performing Bank, the highest rating offered by The Findley Reports,” said Endeavor Bank CEO, Dan Yates. “This designation is a testament to the hard work and dedication of the entire Endeavor Bank team.”

Each year, The Findley Reports, reviews the year-end operating results of financial institutions through the country and publishes a list of “Super Premier,” “Premier” and “Commendable” performing banks. The criteria utilized in the analysis to determine performance levels includes increased liquidity, capital adequacy, asset structure and growth, loan portfolio and deposit qualities, operating performance, equity return and senior management stability.

“Endeavor Bank’s reputation for hands-on, consultative banking grew throughout Southern California in 2021, thanks to our team and our advocates,” said Endeavor Bank President, Steve Sefton. “We’re tremendously grateful to have such loyal and dedicated shareholders and clients who encouraged other business owners to turn to Endeavor Bank for banking, loans and more.

The Findley Reports' Super Premier Performance classification is widely coveted by financial institutions nationwide. The Findley Reports has provided the banking industry with important performance benchmarks through annual designations since 1965.
